Quorum Present?

BOG & Officers

Secretary: Curtis Willis

- Roll Call

President: Tom Simenc

- Call to Order
- Past Meeting Minutes – Any changes?

Treasurer’s Report: Tim Ross

- Golf Tournament Funds MIA?
 - o Missing ~\$4k of revenue
 - Correspondence with Dan. Still outstanding.
 - Tom to reach out to Tim for update.
 - o Dan, Randy and Tim tackle this together.
- 3rd party auditor for finances
 - o 3rd party audit not required but good for the chapter to do due to high account value

Committee Reports

- CTTC – Dan Russel / Tais Mitchell
 - o Thanks to those who helped with events, large registered groups (40+)
 - o Schedule
 - Jan 18th - Geothermal / Jon Gunnerson, City of Boise with local Consulting engineer TBD (applications of geothermal)
 - Feb 14th - Decarbonization Joint meeting with AIA / ASHRAE DL Dru Crawley
 - Note the non-standard recurring Wednesday
 - Registration will be different, through AIA, they cover food and venue
 - Location at Crystal Ballroom
 - How ASHRAE plays into Decarbonization
 - o Pitch Tech conference focus on Decarbonization theme

- Check in for AIA credits
 - Get presentation pre approved
 - Mike Jones has experience
 - Work to get full day of AIA credits over tracks
- Potential E. Idaho meeting, yet to confirm
 - Mar 15th TBD
 - April is Tech Conference
 - May 17th TBD
- AV Equipment - Tais will purchase soon
 - No laptop in purchase
 - Perform a dry run after purchase to ensure setup will work
 - Tim Ross, Chris Pollow have ASHRAE cards to use to purchase
- CRC - Dan Russel / Mike Jones/ Chris Pollow
 - Using The Grove (\$1,500 deposit), first week in August
 - Combine 2024 Tech Conference with the CRC meeting into one timeframe
 - Price negotiation group booked rooms (~\$20+ than last year)
 - Have a subcommittee to meet in 2023 and further plan
- MP – Damon Woods/Collin Mabe
 - MP Report
 - Email Dan Gurley for “left industry” members
 - Damon will send Member Report to Dan
 - Damon submitted plan to the region
 - Damon and Tim J. to discuss PAOE points
 - Delinquent members
 - 12 members last month and got 3 members back
 - Collin to email delinquency report out
 - Notify Collin if you know any delinquent members
 - Email was sent out with the list
 - How to “remove” without getting dinged
 - Email members@ashrae.org and they will remove
 - Collin follow up with Rami and Ian removal
 - Ski night, see YEA section for more information
 - Student email list available from Colin
 - Student enrollment promoted at career fair
 - Hard to follow up
 - Follow up and market ski night if sign up
 - Rentals for ski night (\$32 rentals, \$30 pass) / person
 - As long as they are signed up, we can provide rental cost
- RP – Kahlil Williams
 - 3/6 Speakers confirmed. Waiting on responses and sending out requests for additional speakers
 - Start reaching out to sponsors for tech conference.
 - March 31st is deadline for PAOE points
 - Spread out the sponsor outreach emails
 - Price for conference registration fee? Currently at \$100 for members and \$150 for non-members.
 - Value to raise prices, go back to previous pricing (\$125 & \$175)
 - Think about next year’s pricing with the CRC tie-in
 - Next fee due for venue on Feb/21/2023 and amount will be \$1,150.

- Student Affairs – Brian Emtman
 - Sending 2 student members to winter conference: Andrew Sodine & Donald Irvin
 - Involved students
 - Dan to purchase travel tickets soon, check with Montana students to coordinate
 - Payment for registration not completely sorted (done, not specified to students)
 - Dan will follow up
 - What topic do we want them to share on?
 - Give them topics so they can focus on it during the conference
 - Spring: Building tour? Panel?
 - Brian wants to do this, great history of this, check in with Lynn Caitlyn.
 - Brain Johnston and Rachel Nutting to speak in his class.
 - Lynn Caitlyn to leave BSU after this year.
 - ASHRAE to offer support with adjunct guest lectures
- YEA – Andee Morton
 - Boise Art Glass Event was super fun!
 - 8 people registered
 - Tentatively planning ski trip on Feb. 8th (with MP)
 - Sign up sheet providing info on season passes
 - Other event ideas for this year include Steelheads game and Top Golf
 - YEA event with Geothermal collaboration
 - Communication
 - Emailed to YEA only so far
 - Extend the email to non-YEA aged members
- GAC – Robyn Vowell
 - Energy Codes
 - Decided to not recommend any changes for this year
 - Voted 6-2 to preserve the language as is now.
 - Looking at what code sections can be moved to other boards
 - Nothing going to the legislature this round, but keep eyes on it
 - 2023 Legislative Session
 - Day on the Hill
 - Setting up a booth
 - Sending correspondence to relevant legislatures
 - Can coincide with Engineer's week (end of February)
 - Meeting with Governor's office
 - Establish ASHRAE's stance on codes
- Refrigeration – Tom Simenc
 - Chapter meeting went well
 - Next we can try to duplicate with a presentation on Ammonia Refrigeration and tour of an industrial system.
 - Presentation then tour was helpful format
 - Tom can present and coordinate
 - Ice Rink refrigeration tour, combine it with Steelhead YEA event?
 - Colin and Wes to try and get an inside lead
 - Coby Barlow with Oppenheimer (Dan to reach out)
 -
- Historian – Mike Jones
 - Mike Jones
 - History PAOE Options
 - Missed half of our opportunities

- 300 point par, budgeting for 400
- Chris plans to do a newsletter, PAOE points reward
- BOG members, look at PAOE points soon

- Website – Chris Follow
 - Plans for updates
 - Adding a YEA section to site
 - Ongoing progress through all pages

- Newsletter
 - Quarterly newsletters
 - Section out updates
 - Provide ideas to Chris

New Business:

- Finances spend down plan (Things to consider for next meeting)
- Keep CRC cost in mind to not overspend
 - Scholarship endowment, new or increase the existing.
 - PAOE point reward, deadline by 3/31/2023
 - Haven't received a lot of publicity for this
 - CWI/CSI and other schools have tech offerings we could look to sponsor
 - Possible way to further utilize access funds
 - Only change from previous month
 - Additional committee budgets
 - CRC Fund
 - Fund for ASHRAE Travel
 - ASHRAE or sponsored training participation
 - Equitable to all members (application)
 - Tom to propose and create framework/budget
 - Market it at monthly meetings
 - STEM Activity - Lucy's Engr Adventure Book Distribution
 - Start with a list of Title 9 schools
 - Colin can oversee
 - Money for a venue
 - Bring-a-friend giveaways
 - Reduce chapter dues
 - End of year party / donor appreciation event?
- Are our funds increasing or decreasing every year?
 - Track this to know future expenses to "normalize"

- Next BOG meeting January 18th? week before or after or different day? 4:15pm
 - Consensus on day before to bring up items for the chapter meeting (Tue 1/17/2023)
 -
