

# 2025 - 2026 IDAHO ASHRAE SPONSORSHIP OPPORTUNITIES

The Idaho ASHRAE Chapter is expanding its event offerings with two new fundraisers for the 2025–2026-chapter year. These events will help our chapter deliver more distinguished lecturers at our monthly meetings, provide professional development opportunities for members, and promote research in indoor environmental quality, sustainability, and resiliency within the built environment.

To make sponsoring easier, our chapter is introducing annual sponsorship packages that include year-round chapter promotion of your company. If you're unable to commit to an annual sponsorship, you can still support us by sponsoring individual events à la carte—up to one week before each event.

To apply for an annual sponsorship package, please send the commitment form to Tais Mitchell at [tmitchell@dcengineering.net](mailto:tmitchell@dcengineering.net).
