

Boise Passive House Conference

RESIDENCE INN BY MARRIOT, BOISE CITY CENTER | OCTOBER 27th, 2017

\$99 for Non-Members

HIGH PERFORMANCE, NET-ZERO & PASSIVE HOUSE BUILDINGS

Please join us Friday, October 27th in Boise for the second annual PHnw conference east of the Cascades! We're bringing together regional governments, utilities providers, developers, and the design and construction community to discuss high-performance, low-energy passive house buildings - big and small - within the inland region. This exciting one-day conference will focus on strengthening regional expertise and awareness of passive buildings

This fun & exciting local conference will focus on how local developers, tradespeople & suppliers can inform the solutions that will work in our region.

In Attendance:

- Regional Governments
- Utility Providers
- Developers
- Designers & Architects
- Construction Companies of all types & sizes

This is your one chance this year to see the future of the building & construction industry and to participate in the future of regional development.

Friday, Oct. 27th, 2017 8:00am-6:00pm
Residence Inn by Marriot, Boise City Center
